

Corey Bowles

Corey Bowles is my favorite actor. He was the funny actor in the Trailer Park Boys. He is the narrator of the kids TV show Poko. He is in a band called Aide-de-Camp. Corey lives in Truro, Nova Scotia.

I have all the seasons of the Trailer Park Boys and I also have the Trailer Park Boys The Movie. Corey Bowles birthday is on August 27, 1973. We have something in common – our favorite food is pepperoni pizza. I liked Corey's braids and his glasses when he was on the Trailer Park Boys TV show.
